Plus Series

65" Plus Series Dual Slot

Technology for Sharing

Designed for education, Plus Series interactive touchscreens have found their home in the classroom. Clevertouch has none of the disadvantages of projectors: no obscuring shadows and no issues with bright light. Our entire range showcases beautiful screens and simple controls, allowing teachers to focus on what really matters: communicating ideas to their students.

The Plus Series is available with a stunning display so life-like it effortlessly captures your students' imagination.

Built specifically for the demanding school, college and university environment, the Plus Series is built without compromise. An all metal frame, 4mm safety glass, and a comprehensive warranty guarantees your Clevertouch Plus Series will be enhancing your classroom for many years.
