

# Building a NEC Video Wall?

## Consider these accessories

### NEC Display Wall Calibrator Software

KT-LFD-CC - Display Wall Calibration software solution to match brightness intensity and white point for every display in the video wall.

### IR/Remote Control Kit

KT-RC - Remote control, IR and ambient light sensor solution to ease remote control use with the video wall.

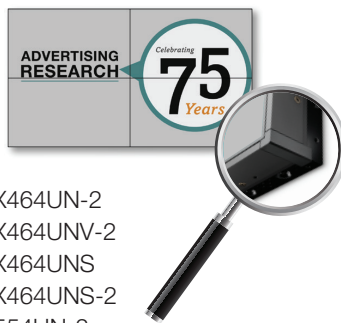

### Human Sensor Kit\*

KT-RC2 - Remote control, IR, ambient light and optional human sensing capabilities as well as easy remote control use with the video wall.

### Overframe Bezel Kit\*\*\*

Optional bezel kit to create a uniform framed look around the outside of the video wall.

- KT-46UN-OF2** - Compatible with X464UN-2
- KT-46UN-OF3** - Compatible with X464UNV-2
- KT-46UN-OF4** - Compatible with X464UNS
- KT-46UN-OF5** - Compatible with X464UNS-2
- KT-55UN-OF** - Compatible with X554UN-2
- KT-55UN-OF2** - Compatible with X554UNS
- KT-55UN-OF3** - Compatible with X555UNS, X555UNV
- KT-55UN-OF4** - Compatible with UN551S and UN551VS

\* Human sensing capability only compatible with certain displays

\*\* Compatible with V423, V463, V552, P403, P463, P553, X401S, X462S, X552S, X464UN, X464UNV, X554UN, X554UNS, UN551S, UN551VS

\*\*\* Number of kits necessary depends on the largest dimension of displays within the video wall

### Full Video Wall Solutions

2x2 and 3x3 bundles include 46" or 55" displays, Peerless adjustable mounts, video & control cables, overframe bezel kit, and color calibration kit.

- X464UNS-TMX4P** - Four 46" 700cd/m<sup>2</sup> displays
- X464UNS-TMX9P** - Nine 46" 700cd/m<sup>2</sup> displays
- X464UNV-TMX4P** - Four 46" 500cd/m<sup>2</sup> displays
- X464UNV-TMX9P** - Nine 46" 500cd/m<sup>2</sup> displays

- X555UNS-TMX4P** - Four 46" 700cd/m<sup>2</sup> displays
- X555UNS-TMX9P** - Nine 46" 700cd/m<sup>2</sup> displays
- X555UNV-TMX4P** - Four 46" 500cd/m<sup>2</sup> displays
- X555UNV-TMX9P** - Nine 46" 500cd/m<sup>2</sup> displays

New display bundles, include new mount that supports landscape or portrait installation.

- UN551S-TMX4P** - Four 55" 700cd/m<sup>2</sup> displays
- UN551VS-TMX4P** - Four 55" 500cd/m<sup>2</sup> displays
- UN551S-TMX9P** - Four 55" 700cd/m<sup>2</sup> displays
- UN551VS-TMX9P** - Four 55" 500cd/m<sup>2</sup> displays

### Mounting and Cabling Solution\*\*

2x2 and 3x3 cabling and mounting solution. Includes all video and control cabling as well as Chief ConnexSys™ video wall mounts. **(Does not include the displays)**

**KT-TMX4C** - 2x2 solution compatible with select NEC displays 40" - 55". Contains four Chief video wall mounts, Two Tripp Lite 6 Outlet Strips, Four DisplayPort Cables and Five Cat5e Cables.

**KT-TMX9C** - 3x3 solution compatible with select NEC displays 40" - 55". Contains nine Chief video wall mounts, Three Tripp Lite 6 Outlet Strip, Nine DisplayPort Cables and Ten Cat5e Cables.
